Fights per Division

Number of fights in each division, 1994–2026

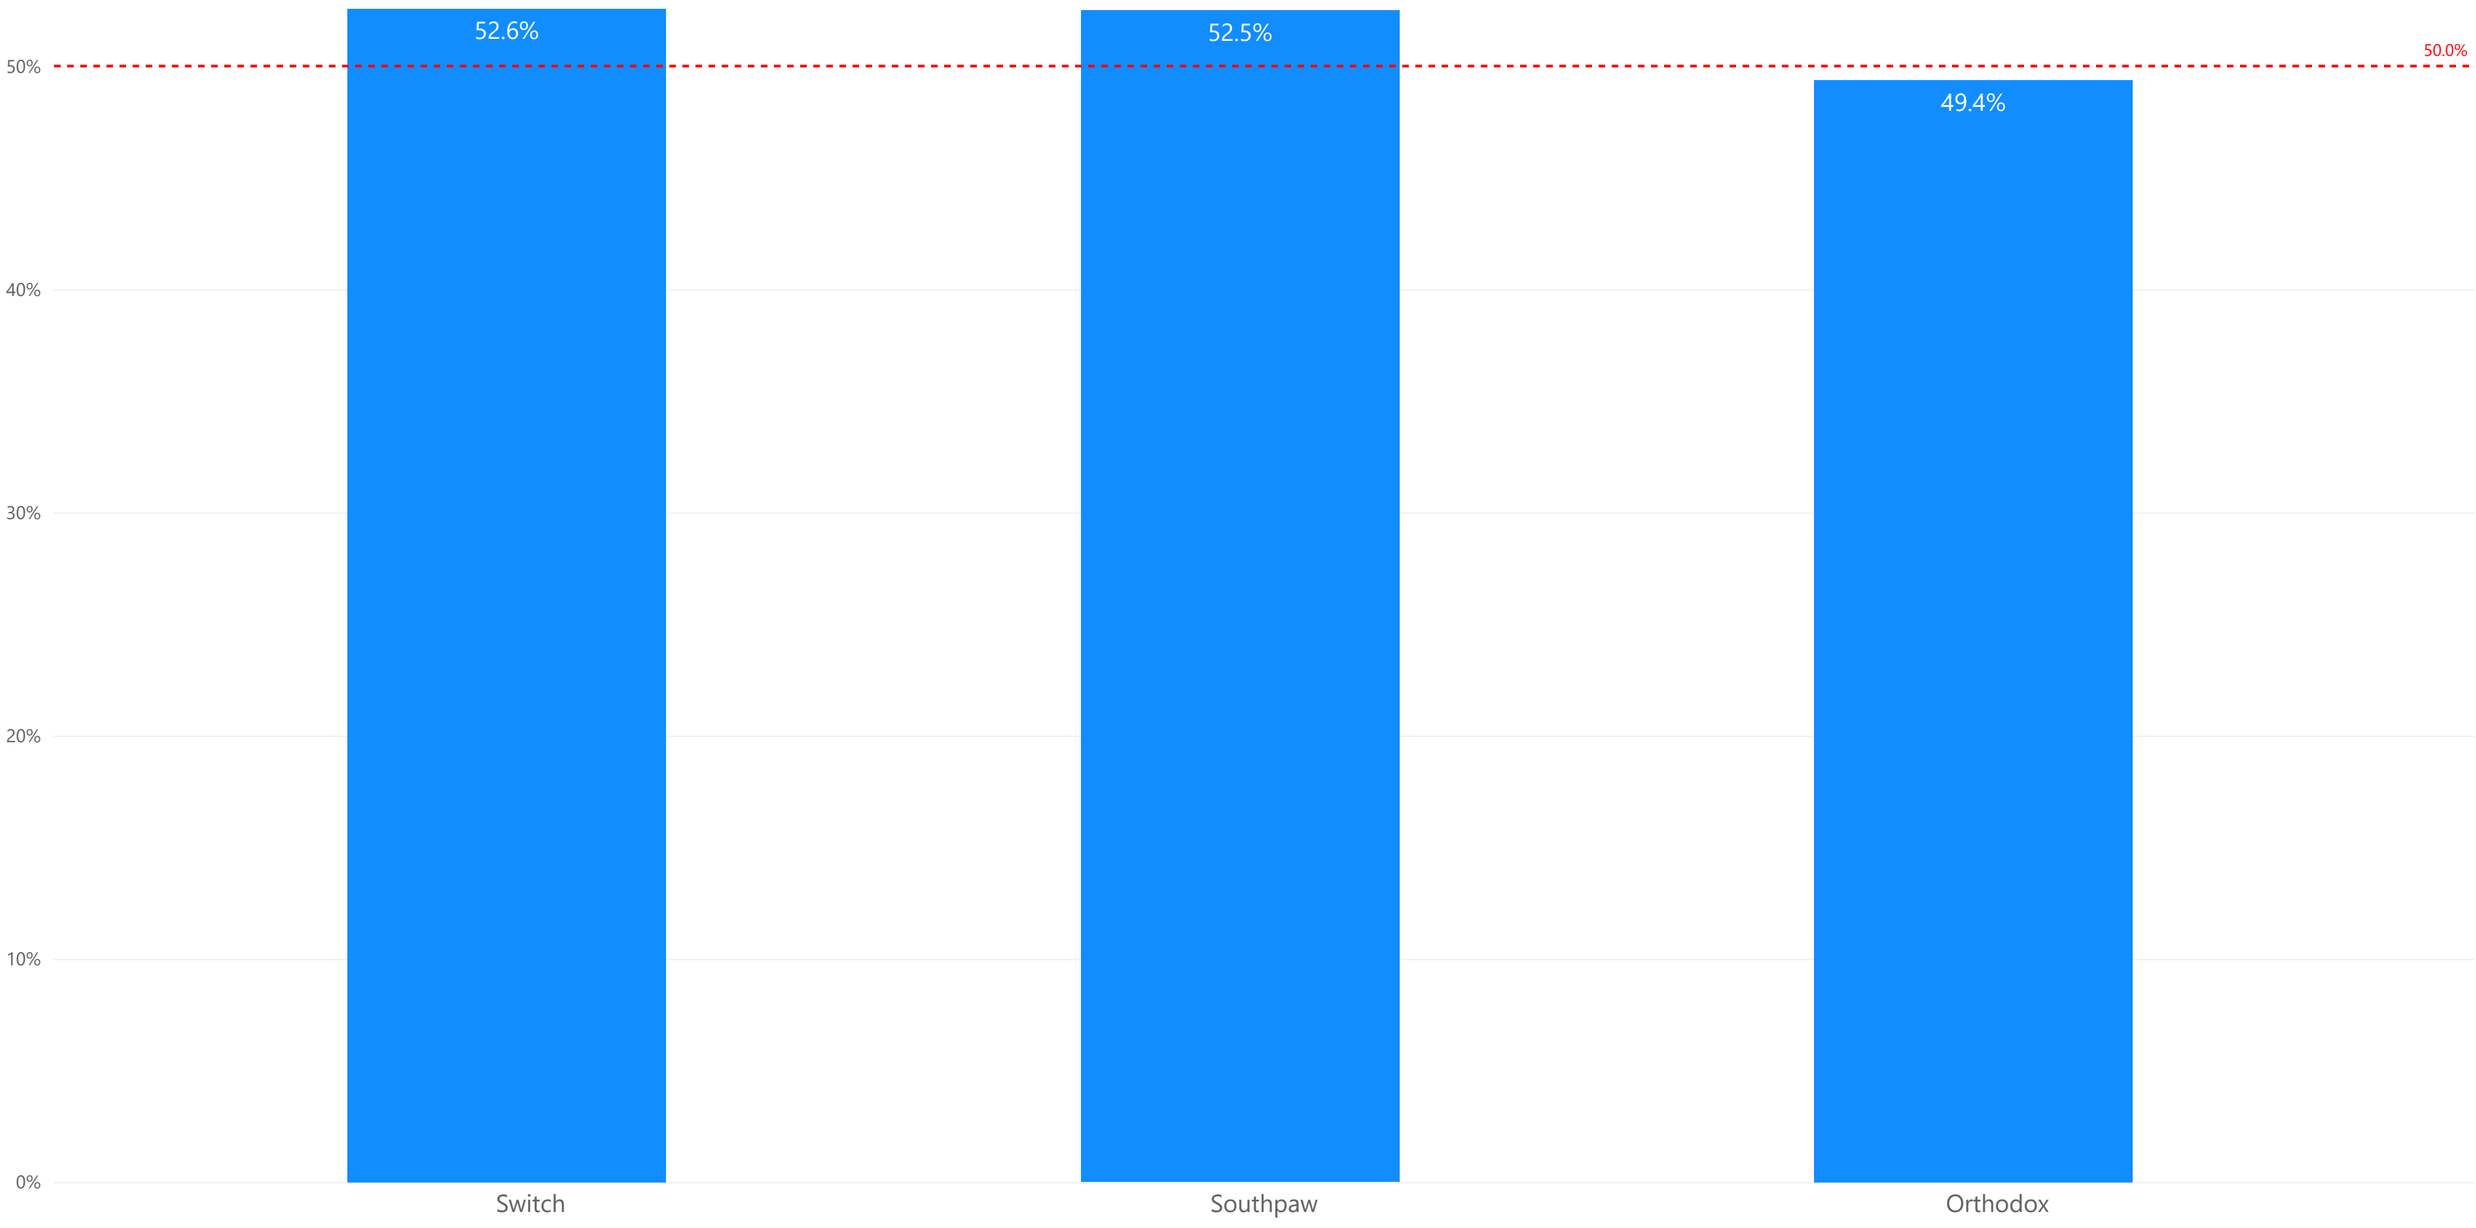

UFC Fight Analysis

This dashboard analyses every UFC fight from 1994 to 2026 (as of March). I cleaned and modelled the data in SQL, then rebuilt each finding in Power BI. Each tab below answers one question, from stance win rates to the longest win streaks.

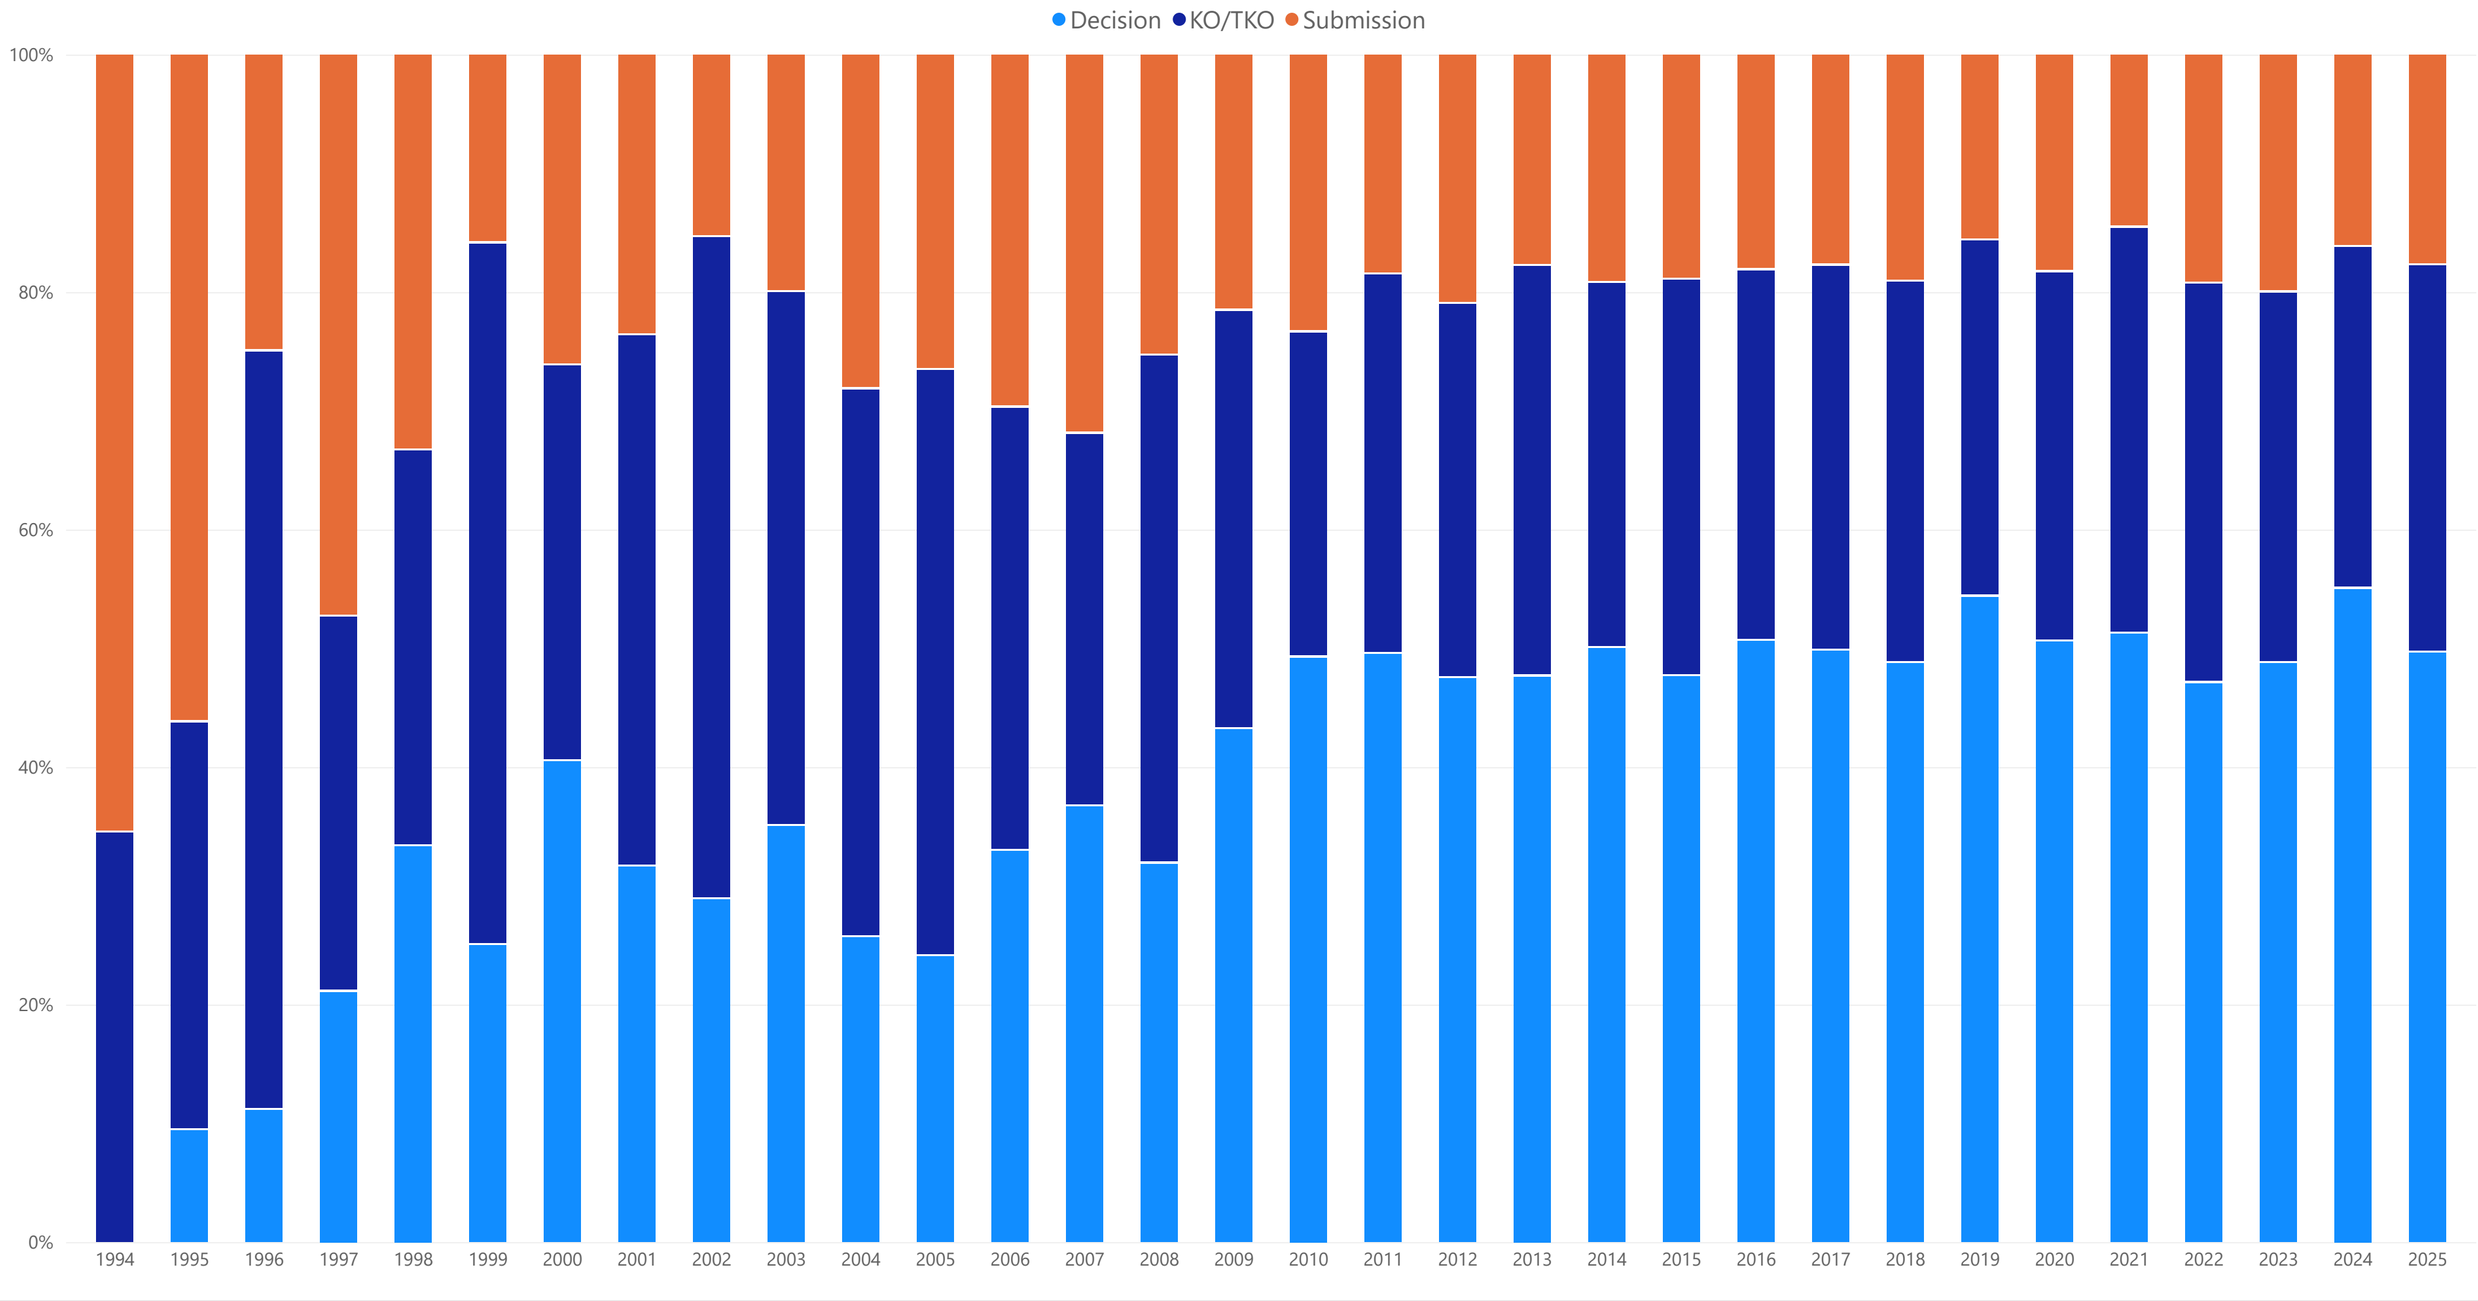

Win Rate by Stance

Draws and no-contests excluded. Stances with tiny samples removed.

How Fights End, 1994–2025

Share of fights by finish method, excluding DQs and overturned results

Highest Finish Rate (min. 10 wins)

Fighter	Wins	Finishes	Finish Rate
Gerald Meerschaert	12	12	100.0%
Vitor Belfort	15	14	93.3%
BJ Penn	12	11	91.7%
Francis Ngannou	12	11	91.7%
Gabriel Gonzaga	12	11	91.7%
Matt Brown	17	15	88.2%
Vicente Luque	16	14	87.5%
Joe Lauzon	15	13	86.7%
Anthony Johnson	13	11	84.6%
Anthony Smith	13	11	84.6%
Stefan Struve	13	11	84.6%
Charles Oliveira	25	21	84.0%
Cain Velasquez	12	10	83.3%
Kenny Florian	12	10	83.3%
Nikita Krylov	12	10	83.3%
Anderson Silva	17	14	82.4%
Evan Tanner	11	9	81.8%
Frank Mir	16	13	81.3%
Glover Teixeira	16	13	81.3%
Derrick Lewis	20	16	80.0%
Drew Dober	15	12	80.0%
Alex Pereira	10	8	80.0%
Cole Miller	10	8	80.0%
Conor McGregor	10	8	80.0%
Gunnar Nelson	10	8	80.0%
Michal Oleksiejczuk	10	8	80.0%
Uriah Hall	10	8	80.0%
Thiago Santos	14	11	78.6%
Gillian Robertson	13	10	76.9%

Key finding

Gerald Meerschaert finished all 12 of his wins. Belfort and Ngannou follow, both above 90%. Charles Oliveira stands out for volume: 21 finishes from 25 wins.

A 10-win minimum keeps out small samples. This measures how fighters win, not how often they win.

Best Fighter per Division (by win rate, min. 10 fights)

Division	Fighter	Fights	Wins	Win Rate
Lightweight	Khabib Nurmagomedov	12	12	100.0%
Light Heavyweight	Jon Jones	21	20	95.2%
Featherweight	Alexander Volkanovski	14	13	92.9%
Flyweight	Demetrious Johnson	14	13	92.9%
Women Flyweight	Valentina Shevchenko	13	12	92.3%
Welterweight	Ian Machado Garry	11	10	90.9%
Middleweight	Dricus Du Plessis	10	9	90.0%
Middleweight	Nassourdine Imavov	10	9	90.0%
Women Bantamweight	Amanda Nunes	15	13	86.7%
Heavyweight	Francis Ngannou	14	12	85.7%
Women Strawweight	Zhang Weili	12	10	83.3%
Bantamweight	Merab Dvalishvili	16	13	81.3%

Key finding

The leaders match the sport's real champions: Khabib, Jon Jones, Volkanovski, Demetrious Johnson, Nunes and Shevchenko. The ranking only used win rate, yet it found them.

Middleweight shows two fighters because they are tied at 90%.

Lower Volume	Ryan Jimmo	313	207	66.1%	3
Lower Volume	Anthony Hamilton	375	246	65.6%	4
Lower Volume	Jailton Almeida	342	217	63.5%	5

Key finding

Accuracy drops as volume rises. The most accurate low-volume striker lands 74%. At high volume, the best is 59%. Volkanovski keeps 57% across 3,178 attempts, more than most high-volume fighters.

Longest Win Streaks (min. 5 wins)

Robert Whittaker	2	9	2014-06-28	2018-06-09
Valentina Shevchenko	2	9	2018-02-03	2022-06-11

Key finding

Jon Jones holds the longest streak: 19 wins from 2010 to 2024. Anderson Silva’s famous run of 16 lasted from 2006 to 2012. Draws and no-contests do not break a streak. Only a loss does.
